

Dry Areas - Heavy Duty 479 Cushion Trax®

Best selling anti-fatigue mat with ergonomic benefit derived from 14 mm thick worker platform comprised of a long-wearing top surface laminated onto a resilient microcellular vinyl base for maximum durability, comfort, and insulation from hard floors and vibrations. Diamond plate pattern provides traction while allowing easy twist turns.

The design and material composition make this the most versatile matting solution for fatigue relief in both static and dynamic working positions. Slip resistance R10 according to DIN51130 and BG-rule BGR181. Tested and certified by the National Floor Safety Institute (NFSI). Featured with RedStop™ slip-resistant backing to prevent mats from shifting. Available yellow borders along sides comply with OSHA code 1910-144. Bevelled edges on all four sides to minimize risk of tripping. UniFusion™ technology engineered to resist in the harshest work environments.

Recommended use: Heavy Duty, Dry Industrial Environments.

- In manufacturing plants, assembly lines, picking, packing and logistics warehouses, individual workstations. Also suitable for commercial environments including hotels, reception desks, shop counters, department stores, banks, restaurants, etc.

FEATURES

- PVC on microcellular vinyl base
- Backing: Microcellular PVC foam
- Bevelled edges on all sides
- Overall thickness: 14 mm
- Fire rating: EN 13501-1 Bfl-S1
- Slip rating: R10
- Coefficient of friction NSF1 certified, Free of DOP, free of DMF, free of ozone depleting substances, free of silicone and free of heavy metals

479 CUSHION TRAX® (BLACK/YELLOW)

SPECIFICATIONS

Item Code	Dimensions	Weight kg
479C0024YB	60cm x linm	3.4
